Capabilities

01 Roads, Highways & Earthworks

Four-laning of national highways, embankment works, sub-grade layers and road packages executed to Ministry of Road Transport and Highways (MoRTH) standards.

02 Bridge Construction & River Valley Projects

Bridge construction across major waterways, river valleys, canal diversions, and structural steel bridges for government and public infrastructure.

03 Power, Industrial & Heavy Foundations

Power projects, RCC foundations, industrial steel sheds, waste heat boiler repairs, coke oven battery rebuilding, and outdoor pipeline networks.

04 Institutional Buildings & Civil Complexes

Vaccine production centres, multi-storied residential quarter blocks, area developments and structural installations delivered with high quality.

How We Work With You

- ✓ **Main contractor** for civil, industrial and infrastructure packages
- ✓ **Joint-venture / consortium partner** for tenders in India
- ✓ **Subcontractor** for earthworks, foundations, structures and steel erection
- ✓ **Local execution partner** for international firms entering eastern India

Major Projects

No.	Project	Client	Period	Value (INR M)
01	New Vaccine Production Centre at IAHP, Kanke, Ranchi <i>(in progress)</i> Construction, supply, installation, commissioning and testing of equipment of the New Vaccine Production Centre at IAHP, Kanke, Ranchi.	IAHP, Jharkhand	24 Months	27.94
02	Civil & Structural Work for SPU at Bettiah, Bihar Civil & structural work for the Steel Processing Unit at Bettiah, Bihar, undertaken for Steel Authority of India Limited (Bokaro Steel Plant).	SAIL (Bokaro Steel Plant)	8 Months	26.40
03	Area Development (Pkg. 9) for SPU at Bettiah, Bihar Area development (Package 9) for the SPU at Bettiah, Bihar, for Hindustan Steelworks Construction Limited.	HSCL	12 Months	11.24
04	Bridge over Jamunia River in Deori Block, Dist. Giridih Construction of bridge T03 on the Jamua–Tisri Road to Khatori over the Jamunia River in Deori Block, Dist. Giridih.	HSCL (PMGSY)	24 Months	2.68
05	Quarters for CISF at B & K Area (2nd Phase) Construction of quarters: MQ – 16 units, 'B' type – 62 units, 'C' type – 11 units and 'D' type – 1 unit for CISF at B & K Area (2nd Phase).	CCL	18 Months	6.54
06	80 Nos. 'B' Type Qtrs & 16 Units M/Qtrs for CISF at B&K Area Construction of 80 Nos. 'B' type quarters (5 four-storied blocks of 16 units each) and 16 units M/Qtrs (2 double-storied blocks of 8 units each) for CISF at B&K Area.	CCL	18 Months	4.38

Completed Projects 7–22

No.	Description	Client	Period	Value (INR M)
07	Construction of four-lane on NH-2 construction package V-A in Bihar	OSE	18 Months	41.52
08	Construction of embankment and sub-grade layers at Rajasthan road project RJ-7	HCC	24 Months	17.27
09	End vertical repair of Battery 8 in hot condition	SAIL (BSL)	12 Months	0.21
10	Rebuilding of Coke Oven Battery No. 3 at Bokaro Steel Plant	OTTO India	18 Months	1.00
11	End vertical repair for heating walls in batteries	SAIL (BSL)	12 Months	0.25
12	Cold repair of full walls in Coke Oven Battery No. 6	SAIL (BSL)	18 Months	0.50
13	Extension of slag bank embankment, diversion of inspection road for Tenu Canal and construction of RCC bridge in B.F. Slag Dump No. 2	SAIL (BSL)	18 Months	3.34
14	Complex repair of end vertical of heating wall in Battery No. 7 & 8	SAIL (BSL)	12 Months	0.11
15	Repair of end vertical of heating walls and oven in coke oven batteries during 1994–95	SAIL (BSP)	12 Months	0.25
16	Repair of end verticals of heating walls and ovens in coke oven batteries during 1994–95	SAIL (BSP)	12 Months	0.47
17	Repair of end verticals of heating walls and ovens in coke oven batteries during 1992–93	SAIL (BSP)	12 Months	0.44
18	Major repair of W.H. Boiler No. 1	SAIL (BSL)	6 Months	0.22
19	Capital repair of Waste Heat Boiler 1 (D) of SMS-1	SAIL (BSL)	4 Months	0.25
20	Reclamation of sinter pallets of SP by weld deposition, revisioning etc.	SAIL (BSL)	9 Months	0.64
21	Reclamation of table rollers of HSM	SAIL (BSL)	1 Month	0.03
22	Fabrication and erection of outdoor pipeline network including special valves, jointing, insulation, painting, excavation and refilling as per specification for 180 MW existing TPP	SAIL (BSL)	12 Months	1.59

Team

Qualified Civil and Structural Engineers skilled in Project Execution, Contracts, Quality Control, Design, Detailed Engineering, Project Monitoring and Reporting — supported by technocrat advisors including retired PSU engineers.

History

- 1978** — Founding as CECONS ASSOCIATES. The firm was founded by Mr. K.D. Dubey in 1978 under the name “CECONS ASSOCIATES”.
- 1980–1984** — Geographical Expansion. As Mr. K.D. Dubey began to take on larger projects over a larger geographical area, Cecons Associates expanded in size.
- 1985** — Firm Expansion & Name Change. The firm’s name was changed from CECONS ASSOCIATES to CECON ASSOCIATES to mark the expansion and change in focus.
- 1990s** — Bokaro Steel Plant & Industrial Expansion. Major structural, end vertical heating wall repair and coke oven battery contracts for Steel Authority of India Limited (SAIL).
- 2000s–Present** — Highways, Bridges & Institutional Projects. Diversified execution across NH-2 four-laning, vaccine research centres, river bridges and CISF residential complexes.

Plant & Equipment

- | | |
|-----------------------------------|---|
| 1. TATA JD-315 Backhoe Loader | 14. Double Drum Bitumen Hot Mix Plant |
| 2. Excavator TATA HITACHI 210 | 15. Paver |
| 3. Excavator TATA HITACHI 200 | 16. Static Road Roller (8–10 T) |
